LIFT THE WAGE FREEZE FOR IDEA SERVICES WORKERS

To: Ralph Jones, CEO, IHC

We the undersigned, support the front-line disability support workers employed by Idea Services in their fight against the current wage freeze.

Disability support workers are multi-skilled, and provide medical support, meals, personal care and domestic help to people with disabilities - some of whom need round-the-clock support, seven days a week.

They deserve to be paid fairly, and to get the 2% they are asking for.
This has already been given to IHC by the Ministry of Health and it should be passed on!
